RE: Precision Heavy Haul Inc., Tolleson, AZ

Over the past fifteen or so years, Salt River Project (SRP) has done business with Precision Heavy Haul or (PHH). It has been my privilege to work directly with PHH on many interstate and intrastate heavy haul moves for our company. PHH demonstrates the utmost professionalism in all aspects of customer service and abilities to transport oversized and heavy weight shipments. PHH has handled high value transformer units as well as gas turbine equipment, for our company. If you have any questions, please feel free to contact me at the following number.

Sincerely,
